Year Five Weekly Overview

Term 3 week 6

Friday 14th February 2020	**This week we have been learning about:**
English	Reading workshops focus on retrieval, empathy and understanding how an author gets information from research Using interesting language to describe a house Use of direct and reported speech in a recount (writing about Broome Park)
Maths	Fractions – adding fractions and linking denominators to be able to do so Creative maths completed our comparing fraction activities.
Other Subjects:	PE: Dance PSHE: looked at why and how people help each other through charities, with a focus on the Jewish Mitzvah Day but we also started to think about Sport Relief. Science: saturation with salt and sugar, designing the perfect picnic pot and liquids – making mini-lava lamp love potions! Computing: creating an avatar History: learning about our local historic building of Broome Park
Other information	**Back to school on Monday 24th February**

Homework & spellings

MYMATHS – two pieces have been set to link with converting fractions. You have until 21st February to complete please (this will help with fraction work after the holidays).

deceive	conceive	receive	perceive	receipt
protein	caffeine	seize	either	neither

Thanks to those who have already completed the **reading comprehension** – we will go through answers on Friday 28th February (this allows time for everyone to complete).

Optional wildlife task.

If you would like to continue trying to spot birds for the RSPB birdwatch you can register findings directly here (until 21 February 2020)

https://www.rspb.org.uk/get-involved/activities/birdwatch/
