

Robins class (y3)

	Friday 22 nd March 2024: This week we have been...
English	<p>At the start of the week with Mrs Bruce we learnt about using subordinate clauses and the features of a persuasive text. We then mapped out an advert persuading people to come a farm. At the end of the week we planned a letter between the two characters Millie and Bertie based on chapters 7 and 8 of 'The Butterfly Lion' by Michael Morpergo.</p> <p>Our spellings this week have all had the ending 'ly' where the base word ends 'ic': tragically, basically, frantically, logically, magically, publicly, dramatically, historically, automatically, specifically.</p>
Maths	<p>Mass and Capacity:</p> <p>This week we moved onto learning about capacity and volume. We revised our knowledge from Owls and looked at equivalent capacity and volume and compared capacity and volume.</p> <p>Is the statement true or false?</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 5px; margin-right: 10px;"> <p>The volume of water in jug A is greater than the volume of water in jug B.</p> </div> <div style="display: flex; gap: 10px;"> <div style="text-align: center;"> <p>A</p>  </div> <div style="text-align: center;"> <p>B</p>  </div> </div> </div> <p style="text-align: center;">Shade the jugs to show where the water will reach.</p> <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;">  500 ml </div> <div style="text-align: center;">  700ml </div> <div style="text-align: center;">  150 ml </div> <div style="text-align: center;">  1,000 ml </div> </div>
