

Puffins Weekly Overview 2025

Term 5 Week 5

Wishing everyone a lovely half-term holiday! We'll see you back for the summer term on Wednesday 4th June.

Friday, 23 rd May	This week we have been learning about ...
English 	<p>Class Reader: We have finally finished reading 'The Reptile Room' by Lemony Snicket and have watched some of the Netflix version.</p> <p>Writing: We have written poems about mountains using simile and metaphors.</p> <p>Speaking and Listening – we joined David Walliams for an online event to launch his new book. We will be reading this in class after the holidays.</p> <p>Spelling focus: list 30 – see below</p>
Maths	<p><u>Times Tables</u> Our soundcheck scores are really improving! Fantastic! See below for more practice suggestions!</p>  <p><u>Decimals</u></p> <ul style="list-style-type: none"> Comparing and ordering decimals Rounding decimals – tenths to the nearest whole <u>Fun Friday</u> – symmetric patterns with hexagonal paper
Other Curriculum Areas	<ul style="list-style-type: none"> • PHSE – What are the effects of smoking? • Computing – creating points in a game • Art – Rangoli patterns in sand and chalk • Science – How does digestion begin in your mouth?
News and reminders	<p>Huge congratulations to the children who were in our Joseph Production! You were a pleasure to work with and superstars on stage!</p> <p>After half term PE is athletics with Miss Brice on Mondays and swimming with Mrs Washington on Fridays.</p> <p>Multiplication Tables Check – The children will complete in school on an iPad between June 4th and 6th. We advise that they are aware of which facts they know, which facts they can work out in under the 6 seconds and which facts they can't – but are still worth a guess! We also strongly advise that all children get used to NOT pressing the enter button, but typing in the answer and leaving it on the screen so they can check for typos and have a pause between questions. Please practise at home over the holiday on an iPad or computer if you can. There are various different free sites: I like this one: https://urbrainy.com/mtc/test# or https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check</p> <p>Thank you.</p>

**Spelling shed
words this
week:**

binoculars

biscuit

biped

biplane

bisect

bilingual

biannual

biceps

bicentennial

bicycle

TRIPS

You should receive a letter about our invitation to **Kings School Minilympics** on Thursday 12th June. Please reply by Friday 6th June.

We will also be going out to Hearts Delight Farm on Wednesday 11th June.
(Forest School A going on to the woods – details after the holidays!)
