HAWKS

Term 6 Week 1

Date: Friday 9th June 2023	
This week…	**Enterprise project:** The children have been working on their own little businesses to raise money for an upcoming trip to Folkestone (date to be confirmed). The money will pay for a healthy McDonalds lunch, and may even be able to contribute to the cost of the coach (if successful). The children have company names, logos, posters and banners. They have researched resources needed. They have totalled up cost of resources, found out the potential profit and the cost of the McDonalds. Next week we are hoping to make our products, ready for sale in a couple of weeks time. **Leavers Stuff:** This week we have been starting our Leavers book, writing up our favourite memories and writing a biography. We have also written our first leavers song. **PE:** Swimming and Rounders. **Buddy time**

Reminders:

Our PE days will now be on Tuesday and Friday (swimming).

Next Wednesday we will be recreating the classes' Wrens photo - courtesy of Deb Hart. Can the children please look smart and have a jumper/cardigan/fleece ready again.

Regularly ask your children about any other reminders, through the use of their planners. This is good practice for Secondary to help the children keep on top of things.

Have a lovely weekend!

Mr. J
