This week's news

We are excited to announce that we have established a new netball team, and we are fortunate to have Rebecca Stannard coaching them (Elizabeth's mum in Jays). Rebecca brings a wealth of experience as a coach for the Women's England team, and we are confident that our team will flourish under her guidance. We are extremely grateful to her for volunteering her time.

We are proud to share that some of our pupils participated in the London Mini Marathon 2024 event on 20th April. Congratulations to all the children who took part in the one-mile race. Crossing the iconic TCS London Marathon Finish Line and receiving a TCS Mini London Marathon medal is a remarkable achievement. Well done to each and every one of you!

Our Forest School group had a wonderful time exploring the woods this week. It is always a joy to see our children engaging with nature and learning through hands-on experiences.
